

Bank Pâris Bertrand reinforces its Investment and Asset Management expertise

Banque Pâris Bertrand is pleased to announce the appointment of **Sébastien Gyger** as **CIO and Head of Investments**. Prior to this new responsibility, Sébastien was Head of Discretionary Portfolio Management at Pâris Bertrand since April 2019. Before joining the Bank, Sébastien worked at Lombard Odier as Head of Asset Allocation and Discretionary Portfolio Management. He has a 20+ years of experience in mandate management as well as extensive knowledge of the world of pension funds. Sébastien Gyger is a graduate in Physical Engineering from EPFL, holder of a doctorate in physics and certified Chartered Financial Analyst

In addition, the Bank has appointed **Jérôme Chagneau** as **Head of Systematic Asset Management**. Jérôme is a graduate of *École Polytechnique* (France) and ENSAE Paris Tech. Jérôme joined the Bank in 2010 and has been managing the main Systematic Asset Management funds since 2014. Before joining the Bank, he was working at Lehman Brothers, specializing mainly in equity derivatives. Along with his team, he is now managing the quantitative and alternative strategies for Pâris Bertrand.

With the appointments of Sébastien Gyger and Jérôme Chagneau, Banque Pâris Bertrand is strengthening its investment capabilities with skills that will allow it to continue its successful development with private clients, family offices and Swiss institutional investors.
